

Part-time Prevention Coordinator

Do you enjoy working with young people? Do you have a parent's instinct to protect youth? Do you want to help kids develop the skills and knowledge needed to grow up free from substance use and addiction disorders?

If you do, PACE Coalition would like to talk with you. We are Northeastern Nevada's Community Wellness Coalition serving Elko, White Pine and Eureka Counties, and we are looking for someone to become our Prevention Coordinator.

As Prevention Coordinator, you will play a key role in educating parents, students and others about how to avoid harmful substances, and about the many safe, healthy choices they can make. You will travel our tri-county communities to support those, like you, who want to keep our rural areas safe and family-friendly places in which to live and raise our children.

This is a part-time position at 35 hours/week. Salary: D.O.E. Some work outside of normal business hours is required. Applicants must be willing to have their fingerprints taken and pass a drug test and background check if hired. Familiarity with computers and experience with Microsoft Office applications is a definite plus. Must have reliable transportation.

To apply, submit your digital résumé with cover letter to:

Laura L. Oslund
Executive Director
