SAUVEUR AND JULIE ELIZAGOYEN MEMORIAL AVIATION SCHOLARSHIP

If you have questions, please contact Michael Magney at PACE Coalition, 775.777.3451

Application due date: Friday, July 5th, 2024, before 3:00 p.m.

BACKGROUND:

The Sauveur and Julie Elizagoyen Memorial Aviation Scholarship was established in 2013 by Norma Elizagoyen (1923 – 2013) in loving memory of her husband and daughter and as a tribute to them and to their love of flying.

Sauveur Elizagoyen (1930 – 2010) immigrated to the United States in 1950, working as a sheepherder in California and Nevada. With hard work and determination, he became a general contractor in 1958 and built many fine homes and businesses in the Elko area, as well as owning other businesses. In 2004, Sauveur decided to retire his hammer and saw and to pursue his passions of flying, hunting, and fishing.

Julie Elizagoyen (1961 – 2011) was born in Elko and lived most of her life here. She spent time in the ranching industry, then studied and became a dental assistant in California and Nevada. She returned to Elko and spent her remaining years helping with the family business.

Julie was always taking on challenges. She received her commercial pilot's license and instrument rating after several years of serious work and study, then helped her father gain his pilot's license.

After the deaths of Sauveur and later Julie, Norma established this scholarship program to help others realize the passion for flying enjoyed by her husband and daughter. Norma passed away January 12th, 2013. However, the legacy of her family and its commitment to and love for each other, as well as Sauveur and Julie's love of flying, will live on with this scholarship, enabling many to enjoy the dream of flying due to the generosity of this family.
